thomas r horn: *Zeitgeist 2025* Thomas R. Horn, 2021-07-15 Before and after the presidency of Donald Trump, the United States was--and now is again--on an intentional trajectory to fulfill what famous Freemason Manly P. Hall described as The Secret Destiny of America. Hall's book includes future national and global subservience to the god of Freemasonry, a deity most Americans would not imagine when reciting the pledge of allegiance to one nation under God. Unknown to most Americans and certainly many Christians is the fact that the Great Seal of the United States is a prophecy hidden in plain sight by the Founding Fathers for more than two hundred years, foretelling the return of this terrifying, demonic god who seizes control of Earth in the New Order of the Ages. This supernatural entity was known and feared in ancient times by different names: Apollo, Osiris, and even farther back as Nimrod, whom Masons consider to be the father of their institution.

thomas r horn: *The Wormwood Prophecy* Thomas Horn, 2019 Is the star from Revelation 8 already headed toward Earth? What's more, do government officials already know the answer to that question? Traditional scholarly interpretation claims that the Wormwood star will be an asteroid. Others postulate that it will poison one-third of all of Earth's waters--and we may not even notice it! Others believe the star could hit without returning, like an angel of God appearing in the sky with fire and light, bringing judgement in an instant. Do prophecies from ancient cultures and religions across the globe point to this catastrophe? Have scientists and politicians taken extreme measures to keep this under the public radar? Is this why President Donald Trump sanctioned a colossal increase to planetary defense? Follow Thomas Horn as he blazes through these questions and many others, posing answers that few in the church today are willing to provide--Back cover.

thomas r horn: *Life of Tom Horn* Tom Horn, 2012-08-06 On November 20th, 1903, the cowboy Tom Horn was hanged in Cheyenne, Wyoming, for the murder of a fourteen-year-old boy. His trial was almost certainly influenced by sensationalistic "Yellow" journalism and the bitter cattle range wars of the day, and remains controversial even now. Horn had been many things - runaway farm boy, mule skinner, miner, rodeo champion, Pinkerton detective - but his greatest fame had been as a US Army scout and Indian interpreter in the Apache wars. In this autobiography, written while he was in prison and published after his death, Horn describes his many exploits during that period. He provides a compelling firsthand account of cowboy life on the southwest frontier, of the complex and often violent relationship between Americans, Mexicans, and Apache Indians, and of celebrated characters such as Geronimo, the Apache Kid, and Al Sieber. This ebook edition includes an active table of contents, reflowable text, and 12 photographs and illustrations from the first edition.

thomas r horn: *Apollyon Rising* 2012 Thomas R. Horn, 2009 What even the best researchers of the Illuminati and veiled fraternities such as the Freemasons were never able to fully decipher is spelled out herein for the first time. The power at work behind global affairs and why current planetary powers are hurriedly aligning for a New Order from Chaos is exposed. Perhaps most incredibly, one learns how ancient prophets actually foresaw and forewarned of this time.

thomas r horn: *Spiritual Warfare* Thomas R. Horn, 1998 Thomas Horn's research reveals how the unseen activity of demons is at work in social policy today and he prescribes the solution. Covers the hottest topics in Christianity today including archeology, UFOs, angels, and spiritual warfare.

thomas r horn: *Tom Horn* Chip Carlson, 2001 Did Tom Horn kill Willie Nickell? He was a death sentence to rustlers and the devil incarnate to homesteaders in late nineteenth-century Wyoming. Did Tom Horn commit the 1901 murder of the fourteen-year-old son of a sheep-owning homesteader who had stolen from the cattle barons ranges? If not, who did? Cheyenne author Chip Carlson, in this, his third book, answers these questions and others with the monumental results of more than ten years of research into primary sources. Who were Tom Horn's other victims? Was there collusion on the part of three governors in two Colorado murders? How could the jury return a verdict of guilty in Tom Horn's trial in the face of evidence that someone else was the killer? Why did

Tom Horn's parents flee to Canada? Was there jury tampering and bribery? Why did Tom Horn say I would kill him and be done with him? What was the role of schoolteacher Glendolene Kimmell, and where did she end her years? Tom Horn, the most notorious of Wyoming's range detectives and a pre-eminent name in Wyoming history, operated unchecked until he was arrested for the murder of Willie Nickell. The murder and questionable nature of Horn's conviction still ignite firestorms of controversy in Wyoming. Before he was hanged Horn said, I have lived about fifteen ordinary lives. I would like to have had somebody who saw my past and could picture it to the public. It would be the most god damn interesting reading in the country. Now author Chip Carlson provides that reading.

thomas r horn: The Milieu Thomas R. Horn, Carl Teichrib, Paul McGuire, 2018-07-10 Utopia or Dystopia? Shangri-La or purgatory? Paradise or perdition? What future truly awaits mankind on the other side of widespread human enhancement? With breakthrough advances in transhumanistic science and technology at an all-time high, it appears that people of all ages, backgrounds, and world cultures are lining up to embrace the alteration and augmentation of the human race. Remaining as the mere Homo sapiens that God designed is no longer satisfactory as we race toward the human-animal chimeric and human-machine hybrid era--a point of no return. For many, these transhuman concepts paint bright and glorious tomorrows filled with higher efficiency, ease, and convenience for our world. For others, the notion of irreversibly changing what it is to be human and the potential spiritual and biological repercussions that holds for the earth's dominant species is, understandably, terrifying. In *The Milieu: Welcome to the Transhuman Resistance*, you will learn: *The purpose and importance of the resistance group known as the Milieu *Why it's important for the Church to be involved in the discussion about transhumanism *The glaring, spiritual symbolism of the transhuman worldview, and how the Promethean Faith (a.k.a., Religion of Man) is far more a religion than its disciples openly acknowledge *What is driving the 'Christian Transhuman movement *What methods are currently being used to gradually indoctrinate Church and society with utopian transhuman concepts *Why going from flawed man to enhanced beast doesn't solve humanity's dilemmas and only serves to reveal deeply-rooted philosophical challenges *The link between artificial intelligence and the image of the Beast from Revelation *Why a pro-transhuman Milieu group is forming at the Vatican right now, and what plans they have in mind for humanity's future *How nanotechnology existing at this moment will soon allow for human-robot offspring--and why that might be the very technology that ushers in the Antichrist. *PLUS!--Two chapters from Thomas and Nita Horn's *Forbidden Gates* discussing the coming Hell Scenario and the spiritual warfare ramifications of merging man with beast or machine.

thomas r horn: The Lost Prophecies of Qumran Josh Peck, 2021-09-15 Who could have known how much influence the writings of a mysterious group of prophets and scribes hundreds of years before Christ would have on our understanding of end times prophecy? As it turns out, much of what we've been taught about Israel in the First Century is incomplete. There were, in fact, Jewish believers who knew exactly what to expect in the coming Messiah: that He would be God in the flesh and would die for our sins. If they accurately predicted the first arrival of Jesus, what did they say about His soon return? In this groundbreaking book, you will learn: *How an ancient Jewish calendar actually predicts the year 2025 AD as prophetically significant? *How the enigmatic group, known as the Essenes, formed and what influence they had over the New Testament? *Lost prophecies only

recently discovered in the Dead Sea Scrolls about our time today? What messages the Essenes left behind for believers living in this present age? How the prophecies of Daniel and Revelation fit within the ancient Essene timetable? What hidden feasts and festivals the Essenes observed and what they point to in the future? What were the circumstances of the disappearance of the Essenes and how it connects to every Christian from the past two thousand years? Once you learn about the Essenes and the Dead Sea Scrolls they left behind, you will understand the entirety of the Bible in a brand new light. Finally, the prophetic texts of Scripture can be understood as originally intended. Discover what God is revealing in these final years of our current age and what is ahead in the next age, soon to come!

thomas r horn: *Nephilim Stargates* Thomas R. Horn, 2007 One myth from the history of every great civilization spoke of beings descending from heaven and using human and animal DNA to create giant offspring. Rabbinical authorities, Septuagint translators and early church fathers understood this as a factual record of history. The phenomenon began with the "Watchers" who spawned "Nephilim" resulting in judgment from God. The ancients also knew Bible passages that predict the Nephilim will return when Iraq and Iran are invaded and destroyed. Is this prophecy about to be fulfilled? Is man, in his rush to play god through biological weapons, biotechnology, and genetic manipulation, opening gateways to a supernatural unknown? *Nephilim Stargates* and the Return of the Watchers is a glimpse into this past, present, and future phenomena, with an eye on what sages and scientists believe and what futurists and prophets may fear. Thomas Horn is CEO of Raiders News Network, a syndicated columnist, and the bestselling author of *The Ahirman Gate*. He has written two other books as well as dozens of published editorials and magazine articles. His works have been referred to by writers of the LA Times Syndicate, MSNBC, Christianity Today, Coast to Coast, World Net Daily, and White House Correspondents. Thomas resides outside Portland, Oregon.

thomas r horn: *Antichrist and the Final Solution* Thomas R. Horn, Terry James, 2020-11 It's been assumed for centuries that a prerequisite for the coming of Antichrist would be a revived world order--an umbrella under which national boundaries dissolve and ethnic groups, ideologies, religions, and economics from around the world orchestrate a single and dominant sovereignty. At the head of the utopian administration, a single personality will surface. He will appear to be a man of distinguished character, but will ultimately become a king of fierce countenance (Daniel 8:23). With imperious decree, he will facilitate a One-World Government, universal religion, and global socialism. Those who refuse his New World Order will inevitably be imprisoned or destroyed until at last he exalts himself above all that is called God, or that is worshiped, so that he, as God, sitteth in the temple of God, showing himself that he is God (2 Thessalonians 2:4). Bible prophecy depicts this coming tyrant as the deadliest in human history. He will try to carry out a satanic Final Solution to inflict genocide far beyond that done through Adolf Hitler's plan by the same name. And this soon-to-come era is closer than many can imagine, yet most don't comprehend the events that lie just ahead.

thomas r horn: *Thomas Horn-The Early Years Spiritual Warfare* Thomas R Horn, Donald Jones, 2024-09-19 For more than three decades, Dr. Thomas Horn was a proficient Bible scholar and pioneer who addressed with perceptive wisdom and discernment serious and controversial questions posed by Christians and non-Christians alike about issues most religious scholars wouldn't touch. Now back in print for the first time since 1998, this book is a publication of two of Tom's earliest works. In *Spiritual Warfare: The Invisible Invasion* and *Gods Who Walk Among Us*, this world-renowned lecturer, radio personality, bestselling author and founder of SkyWatch TV brings not only great insight to our troubling times, but assurance of God's eventual victory over darkness, demons, and the devil himself. The pagan gospel of the New Age god-king and the real war of the worlds As Tom states in *Spiritual Warfare*, I believe there can be a great revival in the United States in this generation. If our Lord should tarry, a sovereign outpouring could sweep across America until the glory of God flows from sea to shining sea. Readers will be shocked, challenged, and blessed by the timely insight presented in these formerly out-of-print works from the incomparable Dr. Tom

Horn!

thomas r horn: Defender Bible Thomas R. Horn, 2018-03 The Bible, as we hold it today, is esteemed by many religious institutions and especially Conservative Christians to be the inspired, inerrant Word of God. This doctrinal position affirms that the Bible is unlike all other books or collections of works in that it is free of error due to having been "given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works" (2 Tim. 3:16, 17). thomas r horn: On the Path of the Immortals Thomas Horn, Cris Putnam, 2015-02 Following the release of their international best-seller, *Exo-Vaticana*, Thomas Horn and Cris Putnam were inundated with requests from around the world to be interviewed on radio, television, and in print media. What they discovered sent shockwaves through Christianity concerning the Vatican's advanced telescope, which sits on top of Mt. Graham in Arizona (USA) where the Jesuits admit they are monitoring something approaching the earth. After the authors' initial report was published in *Exo-Vaticana*, the pope's top astronomer took to the airwaves and on the Vatican Observatory website to try and explain the role that he and other church astronomers are playing in regards to emerging ET Friendly theology, their association with the LUCIFER device at Mt. Graham, and their developing doctrines concerning extraterrestrial life and the impact it may have on planet Earth's religions; Christianity in particular. Now, armed with fresh information from the native peoples (that failed before a federal appeals court to stop the construction of the Vatican's observatory on one of their four holiest mountains), the authors set out with cameras and field investigators to unearth their most astonishing discovery yet. The mountain is said to be a portal, a gateway to another dimension. And, as the Vatican knows and the authors uncovered, it is not the only one. thomas r horn: Final Fire Thomas R. Horn, Larry Spargimino, Donna Howell, 2016-11-15 IS THE NEXT GREAT AWAKENING RIGHT AROUND THE CORNER? In the midst of intense global societal discord--persecution, rights activism, racial tension, intense political hostility, and the resurgence of anti-establishment counterculture--many have lost faith in governments and even in church leadership to provide answers and stability. But this feeling--this underlying sensation that pricks our national cognition with a constant needling, demanding to be fought against and yet powerful enough that it inspires hopeless demoralization--has occurred before. From the Bohemian Reformation of John Wycliffe and Jan Hus in the 1300s to the Jesus People of the 60s and 70s, every era ripe with public dejection and faith-drought foreshadowed spiritual awakenings. These often began in the unlikelyst of places by the most inconceivable of personalities, and then spread like uncontrollable brushfires across the land resulting in millions surrendering their hearts and lives to the Lord. As today's world becomes more desperate to experience such personal meaning and social healing, the world is inadvertently moving toward another Great Awakening! IN FINAL FIRE, YOU WILL LEARN: *How God used simple men, women, and youth of the past--unqualified by human and finite standards--to irreversibly change the world. *What practices were employed that reformed traditional religious rituals into personal relationships with Christ, and how those methods are poised to be repeated in the near future. *Why the age of social networking through virtual technology is keeping families and communities from real human relationships, how this relates to an international and spiritual hunger for revival, and how this very same technology will pave the way for an even vaster spreading of the Gospel. *Which current events are now contributing to the largescale unrest mankind all feels, and how this is lining up to unleash what these authors believe to be the Greatest Awakening yet! *Evidence from around the globe that the Awakening may have already started, and will be joined by growing demonstrations of miracles, healings, prophetic visions, and angels in the days just ahead!

thomas r horn: Secret Destiny of America Manly P. Hall, 2024-07-09 The Signature Edition of Manly P. Hall's Esoteric Classics on America Fully reset and newly introduced by PEN Award-winning historian Mitch Horowitz, The Secret Destiny of America (1944) and America's Assignment with Destiny (1951) are Manly P. Hall's core statements on the esoteric purpose and occult backstory of the United States. In these two volumes appears Hall's thrilling thesis that democracy and personal liberty are part of a "Great Plan" extending from the pharaonic era to Hellenic secret societies to illumined intellects such as Francis Bacon and Christopher Columbus to modern expressions of Rosicrucianism and Freemasonry, finally blossoming among the ideals of America's Founders. In his introduction, Mitch explores the historicism of Hall's writing on America,

highlighting lasting points and augmenting the record where new information is available. Mitch specifically considers the Atlantean thesis from the perspective of the twenty-first century; reviews Hall's career-long influence on President Ronald Reagan; examines the eye-and-pyramid of the Great Seal of the United States; contextualizes the impact of Freemasonry on the nation's founding; explores Mesoamerican civilization and its complexities; and critically considers the role of secret societies in modern life. "Hall ranks among the few historical writers who at least recognized the inceptive role of Freemasonry in America's founding," Mitch writes, "a perspective only recently granted overdue treatment in scholarly literature." Indeed, it was Manly P. Hall alone who kept alive the light of esoteric ideas—and their role in the nation's formation—during the time he produced these seminal volumes. They are presented here, with a substantial historical introduction, in their definitive form.

When they accurately predicted the resignation of Pope Benedict XVI one full year in advance, even naming the precise time he would step down, global shockwaves raised compelling questions regarding why the Vatican has an advanced telescope set atop Mt. Graham in Arizona where the Jesuits admit they are monitoring something approaching Earth. After

the authors' second report was published in *Exo-Vaticana*, the pope's top astronomer took to the airwaves in an attempt to explain the role he and other church astronomers are playing in regard to the LUCIFER device, as well as their developing doctrines concerning extraterrestrial life and the impact it may soon have on Earth's religions (Christianity in particular). Then, in the third book by Horn and Putnam, the authors set out with cameras and field investigators to unearth their most astonishing discovery yet: Mt. Graham is a portal--the Native Americans who fought the Vatican and NASA told them--a gateway to another dimension. And, as the Vatican knows and the authors uncovered, it is not the only one. thomas r horn: Fire in the Minds of Men James H. Billington, 1999 This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries--the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three

Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared The New Republic hailed it as remarkable, learned and lively, while The New Yorker noted that Billington pays great attention to the lives and emotions of individuals and this makes his book absorbing. It is an invaluable work of history and contribution to our understanding of political life.

thomas r horn: Blood on the Altar Gary Stearman, Chuck Missler, Sharon Gilbert, Derek Gilbert, Michael Lake, Cris Putnam, 2014-06-15 As the world races toward its momentous end-times encounter between good and evil (known in the Bible as Armageddon), a deepening antagonism is developing worldwide against conservative Christians. According to a 2014 Pew Research Center report this hostility now includes the United States, which elevated from the lowest category of government restrictions on Christian expressions as of mid-2009 to an advanced category in only the last three years. This trend may point to one of the most overlooked aspects of Bible prophecy--a war that ultimately pits born-again believers against religious Christians. The inspired texts themselves say a time is coming when whosoever killeth you [true Christians] will think that he doeth God service. In Matthew 24:9, Jesus further warned: Then shall they deliver you up to be afflicted, and shall kill you, and in the book of Revelation it describes this era as when Antichrist will have power to make war with the saints, and to overcome them... (Rev. 13:7; Dan. 7:21). All this unfolds as a False Prophet emerges--a final global superchurch leader that causes as many as would not worship the image of the beast should be killed (Rev. 13:15).

thomas r horn: The Researchers Library of Ancient Texts, Volume 2: The Apostolic Fathers Includes Clement of Rome, Mathetes, Polycarp, Ignatius, Barnabas, Papias, Ju Alexander Roberts, James Donaldson, Thomas Horn, 2013-07-10 The Bible, as we hold it today, is esteemed by many religious institutions and especially Conservative Christians to be the inspired, inerrant Word of God. This doctrinal position affirms that the Bible is unlike all other books or collections of works in that it is free of error due to having been given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works (2 Tim. 3:16, 17). While no other text can claim this same unique authority, the Apostolic Fathers included in this volume (also called the Ante-Nicene Fathers), covers the Early Christian writings from the beginning of Christianity until the promulgation of the Nicene Creed at the First Council of Nicaea, which was convened in Bithynia by the Roman Emperor Constantine I in AD 325. As such, writings contained in this volume of The Researchers Library of Ancient Texts (Volume Two: The Apostolic Fathers: Includes Clement, Anthenagorus, Mathetes, Polycarp, Ignatius, Barnabas, Papias, Justin Martyr, and Irenaeus), provides literature that follows the chronology of New Testament texts, which frequently are used or assigned as supplemental works within academic settings to help students and scholars discover or better understand cultural and historical context of the early Christian Church. These ancient texts provide commentators valuable insight into what many ancient Jews and early Christians believed when, God, who at sundry times and in divers manners spake in time past unto the fathers by the prophets (Heb. 1:1). The Researchers Library of Ancient Texts is therefore intended to be a supplemental resource for assisting serious researchers and students in the study of the Bible and the early Church age. Contained in this volume: The works of Clement, Anthenagorus, Mathetes, Polycarp, Ignatius, Barnabas, Papias, Justin Martyr, and Irenaeus.

thomas r horn: God's Ghostbusters Thomas Horn, 2011-09 Recently some 300 exorcists flocked to Poland for a week-long congress to examine the current fashion for vampirism the world-over and the apparent connection between this fascination and a surge in demonic possession. This comes as the world is experiencing an explosion of ancient occultism combined with wicked fascination for ghosts and all things paranormal. In the United States alone, there are now more than two hundred thousand registered witches and as many as 8 million unregistered practitioners

of “the craft.” On college and high school campuses, vampires, werewolves, and other “creatures of the night” are esteemed as objects of desire and idolized by young men and women who view them as cult icons of envious mystical power. Church goers are enchanted by the darkness as well. An April 13, 2011 article “Mysticism Infecting Nazarene Beliefs” was preceded only a few days before by a Telegraph article describing how a “surge in Satanism” inside the church has sparked a “rise in demand for exorcists” within traditional religious settings.” Why is this happening now? God’s Ghostbusters provides shocking answers in this collaborative work by Gary Bates, Chuck Missler, Gary Stearman, Thomas Horn, Nita Horn, Russ Dizdar, Donna Howell, Derek Gilbert, Sharon Gilbert, Michael Hoggard, Noah Hutchings, Terry James, John McTernan, Jeff Patty, Fred DeRuvo, and Douglas Woodward.
