tommy tenney 2022: A Definitive Look at Oneness Theology Edward L. Dalcour, Ph.d., 2016-01-01 A Definitive Look at Oneness Theology: In the Light of Biblical Trinitarianism (4th ed.) critically examines the claims of Oneness unitarian theology in light of biblical exegesis. Specifically, this book clearly shows that the entire content of biblical revelation reveals that the one true God is

triune existing in three distinct persons—the Father, and the Son, and the Holy Spirit. Further, the triune nature of God has been implicitly and explicitly affirmed by the early church, important Ecumenical Councils (and their resulting Creeds), and contemporary conservative biblical scholarship. Oneness theology rejects the biblical doctrine of the Trinity erroneously assuming a unitarian view of God—namely, a one person deity whose name is Jesus. Hence, it teaches that Jesus is the Father, Son, and Holy Spirit. Oneness advocates then see the titles Father, Son, and Holy Spirit as mere names or roles that Jesus manifests and not as distinct persons. They embrace the notion that Son represents the humanity of Jesus while Father (and Holy Spirit) represents the deity of Jesus, thus denying the unipersonality, deity, and preexistence of the Son, Jesus Christ. This view sharply opposes the biblical position that the Son had/shared glory with the Father before the world was (John 17:5). Since, the biblical presentation of the preexistence of the Son (esp. as Creator) is the Achilles' heel of Oneness doctrine, this book devotes the needed space and attention to the exegesis of key passages (such as Gen. 19:24; John 1:1-18; 17:5; Col. 1:16-17; Phil. 2:6-11; and the prologue of Hebrews), which positively affirms biblical Trinitarianism. On this point alone, the Oneness position is shown biblically false.

tommy tenney 2022: All Involved Ryan Gattis, 2015-04-07 A propulsive and ambitious novel as electrifying as *The Wire*, from a writer hailed as the West Coast's Richard Price—a mesmerizing epic of crime and opportunity, race, revenge, and loyalty, set in the chaotic streets of South Central L.A. in the wake of one of the most notorious and incendiary trials of the 1990s At 3:15 p.m. on April 29, 1992, a jury acquitted three white Los Angeles Police Department officers charged with using excessive force to subdue a black man named Rodney King, and failed to reach a verdict on the same charges involving a fourth officer. Less than two hours later, the city exploded in violence that lasted six days. In nearly 121 hours, fifty-three lives were lost. But there were even more deaths unaccounted for: violence that occurred outside of active rioting sites by those who used the chaos to viciously settle old scores. A gritty and cinematic work of fiction, *All Involved* vividly re-creates this turbulent and terrifying time, set in a sliver of Los Angeles largely ignored by the media during the riots. Ryan Gattis tells seventeen interconnected first-person narratives that paint a portrait of modern America itself—laying bare our history, our prejudices, and our complexities. With characters that capture the voices of gang members, firefighters, graffiti kids, and nurses caught up in these extraordinary circumstances, *All Involved* is a literary tour de force that catapults this edgy writer into the ranks of such legendary talents as Dennis Lehane and George V. Higgins.

tommy tenney 2022: Becoming Myself Stasi Eldredge, 2013-08-01 God has dreams—just for you *Becoming Myself* is a hope-filled book for anyone who wonders if her life will ever change—if she will ever change. In Stasi Eldredge's most intimate book yet, she shares her own struggles with self-worth, weight, and her past as she shows readers how God is faithfully unveiling who we truly are. Stasi urges you to lay down your past thoughts about yourself and receive God's incredible dreams for you instead. We cannot heal ourselves. We cannot become ourselves by ourselves. But we are not by ourselves. The King of love wants to help us become. God desires to restore us—the real us. As he heals our inner life, he calls us to rise to the occasion of our lives. The most important journey any woman can take is the journey into becoming her true self through the love of God. It's a beautiful paradox. The more of God's you become, the more yourself you become—the “self” he had in mind when he thought of you before the creation of the world. Discover your truest self—the woman God created you to be—in *Becoming Myself*.

tommy tenney 2022: That We May Be One Gary B. Agee, 2022-04-12 Transcending divisions and healing the broken Body of Christ. Disunity is a reality within churches today. Left unaddressed, political disagreements and racial inequities can fester into misunderstanding, resentment, and

anger. But often the act of addressing this discord prompts further animosity, widening fissures into gaping fault lines between fellow members of the same community. Gary Agee, a pastor well-versed in leading diverse congregations, reflects here on the roots of division within the church and the virtues and practices that can promote the restoration of unity. With disarming honesty and humility, Agee offers sage advice gleaned from Scripture and years of practical experience to show how we might fulfill Jesus's prayer on behalf of the church: "That all of them may be one, Father, just as you are in me and I am in you. . . . That they may be one as we are one." At the end of each chapter, Agee includes exercises, discussion questions, and suggested practices, providing a concrete path to unity through dialogue and action.

tommy tenney 2022: The Gospel of Matthew J. C. Ryle, 2012-10-01 John Charles Ryle was an evangelical Anglican clergyman and first Bishop of Liverpool. He was renowned for his powerful preaching and extensive tracts. In *The Gospel of Matthew* Ryle delves into the gospel of Matthew giving insight and commentary on this important book of the New Testament. Let us thank God daily for giving us the Scriptures. The poorest Englishman who understands his Bible, knows more about religion than the wisest philosophers of Greece and Rome. Let us remember our deep responsibility. We shall all be judged at the last day according to our light. To whomsoever much is given, of them much will be required. Let us read our Bibles reverently and diligently, with an honest determination to believe and practice all we find in them. It is no light matter how we use this book. Eternal life or death depends on the spirit in which it is used. Above all let us humbly pray for the teaching of the Holy Spirit. He alone can apply truth to our hearts, and make us profit by what we read. The New Testament begins with the life, death, and resurrection of our Lord Jesus Christ. No part of the Bible is so important as this, and no part is so full and complete. Four distinct Gospels tell us the story of Christ's doing and dying. Four times over we read the precious account of His works and words. How thankful we ought to be for this! To know Christ is life eternal. To believe in Christ is to have peace with God. To follow Christ is to be a true Christian. To be with Christ will be heaven itself. We can never hear too much about Jesus Christ.
