Publicly accepting the destiny that lies in wait for me when I turn eighteen. But, behind closed doors, I plot my escape. Trent, Charlie, and my twin, Drew, rule the hallways of Rydeville High with arrogance and an iron fist. Combining elements of Gothic Romance, the Newgate Novel and popular melodrama, Dickens created an entirely new kind of fiction, scathing in its indictment of a cruel society, and pervaded by an unforgettable sense of threat and mystery.

Widely regarded as a revolutionary novel, Brontë's masterpiece introduced the world to a radical new type of heroine, one whose defiant virtue and moral courage departed sharply from the more acquiescent and malleable female characters of the day. Passionate, dramatic, and surprisingly modern, *Jane Eyre* endures as one of the world's most beloved novels.

twisted hate full book: *Bearing an Hourglass* Piers Anthony, 2012-02-14 Like *On a Pale Horse*, this second, complete-in-itself novel of the Incarnations of Immortality is a richly imagined and always fascinating story. And again, Piers Anthony adds to his gripping plot a serious, though-provoking study of good and evil. When life seemed pointless to Norton, he accepted the position as the Incarnation of Time, even though it meant living backward from present to past. The other seemingly all-powerful Incarnates of Immortality—Death, Fate, War, and Nature—made him welcome. Even Satan greeted him with gifts. But he soon discovered that the gifts were cunning traps. While he had been distracted, he had become enmeshed in a complex scheme of the Evil One to destroy all that was good. In the end, armed with only the Hourglass, Norton was forced to confront the immense power of Satan directly. And though Satan banished him to Hell, he was resolved to fight on.
