Rebecca guides her reader to step into their authentic power so that they can live and lead at their highest potential." —Gabrielle Bernstein, New York Times bestselling author of *Miracles Now* *Rise Sister Rise* is a transmission that calls the innate divine feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop people from trusting the Shakti (power)

and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to dim to fit into a certain archetype. It's about co-creating a whole new archetype—someone who does not keep themselves small in order to make others feel more comfortable. Full of activations, spiritual tools, calls to action, contemplative questions, rituals, and confrontational exercises, this inspirational book teaches that it is safe to let Shakti rise, safe to trust your intuition, and safe to take leaps of faith—because in healing ourselves we are healing the world. “You have an ancient wisdom within you that is waiting for you to remember, hear, and heed it. These Rise Sister Rise calls to action have been carefully designed to assist you in reclaiming your voice, unbinding your power, unlocking your wisdom, unleashing your true nature, and aligning yourselves with the sacred flow of all of Life.” Rise Sister Rise.
