Human evolution also unfolds in spirals, rather than the linear progression we call "progress." Sharing the cosmic wisdom teachings they have received from the Pleiadian group known as Laarkmaa, authors Pia Orleane and Cullen Baird Smith reveal a new system of Pleiadian-Earth energy astrology centered on the spiraling and interconnected movement of Universal and Earth energies, rather than on time, and explain how this new wave of Pleiadian wisdom can support human evolution. The authors identify two major spiral patterns that influence us: the 13 spirals of Universal energy that reflect cosmic laws and cosmic truth and the 20 spirals of Earth energy that reflect how humans experience themselves, each other, and their environment. They explain the dominant energy of each of the 13 Universal energy spirals and how they cycle in 13-day periods. They detail how these 13 Universal energy spirals interact with the cycles of the 20 Earth energy spirals on each calendar day, providing a hundred-year ephemeris and a Pleiadian perspective with which to understand the events in your life. Offering practical examples, they show how you can consciously use the energies prevalent on a given calendar day to your personal, spiritual advantage. each discover our specific gifts, work through the challenges of our own shadows, and individually and collectively evolve into a higher vibrational species.

what is pleiadian: *Life on the Mothership* Suzanne Lie, 2015-01-26 There were just the two of us in the ship. I had not been on the Ship very long when I had my first experience of the Mothership's Oversoul. I had been there long enough, however, to understand that the ship was a living, multidimensional being. I had a vague understanding of the sixth dimensional areas of the ship. However, the seventh dimensional portion of the ship is not an "area." It is a formless soul that overlooks all the souls who reside on the ship. The super-subconscious frequency of the ship automatically observes, repairs and updates the basic structure, which is always changing. Therefore it holds the basic form of every component of the ship. On the other hand, the Oversoul consciousness is a formless, yet tangible energy that feels like an electrical field filled with love and cohesiveness. These feelings usually are most predominant on the upper areas of the ship, such as the bridge and all command centers. However, when necessary, the Oversoul over-lights meetings, individuals, and devices on the ship that are called upon to function at an exceptionally high state of consciousness. I was taken to the Mothership shortly after I had left "time" during my meditation. Once I could leave time, a vast array of new abilities lay just beyond my reach. Hence, I was taken to the Mothership for more advanced studies. The Arcturian and I entered a scout ship and headed for the Mothership.

what is pleiadian: *Battle of The Anunnaki/Pleiadian Gods* Andrew Sinclair, 2018-03-20 The Sumerian civilization is the oldest known human civilization on Earth. Their divine beings were known as the Anunnaki which in Sumerian signifies Those Who from Heaven to Earth Came. It bloomed out overnight around 3800 BC in Mesopotamia the land between the two rivers Tigris and Euphrates, and arrived at a sudden end in 2024 BC when it was devastated by a dangerous radioactive cloud brought by easterly breezes from the Sinai peninsula, where as indicated by some ancient records an atomic war occurred. The gigantic dark scar on the Earth in the south-eastern part of the Sinai peninsula, and the darkened stones that hint at being in a flash softened by extraordinary heat. There is more proof, Higher than typical levels of radioactivity have been found in the Dead Sea, the site of Sodom and Gomorrah have been nuked at the same time. What's more, And in the land of Sumer itself a current report has discovered that around the season of the obliteration of Sumer, there was a sudden environmental change there, the nature of which is predictable with an atomic aftermath. The date recommended by the examination is the same 2024 BC given by Sitchin. The Sumerian human advancement vanished around 2000 BC, similarly as all of a sudden as it showed up. Unmistakably its fall was extremely disastrous a number of Sumerian writings have been discovered bewailing the demolition and destruction of different Sumerian urban areas. All these grievance writings accuse the annihilation on the utilization of a few Weapons of Terror and some incredible savage cloud. The detailed descriptions of their effects leave no doubt that the Weapons of Terror were nuclear weapons. It is likewise the narrative of Sodom and Gomorrah. Incorporated into this book is proof of an ancient war that took place in the past, this book is unlike any you have read previously.

The characters, as well as readers, experience moving out of fear-based

consciousness to the higher dimensions. The story begins in Florence, Italy, at an art soirée in honor of Armando Pierleoni's visionary painting of Jesus and Mary Magdalene. In addition to the six friends--Armando, his photographer wife Jennifer, New York Times journalist Simon, his mystical wife Sarah, Jungian analyst Lorenzo, and exotically beautiful and astrologically insightful Claudia--the dinner party also includes Alessandro de Medici, later revealed to be a master alchemist, and the Jesuit priest Father Giorgio Faccini, the Vatican archivist and a covert agent for the Church's secret agenda. As the Aquarian vibrations intensify, Claudia sees the astrological factors at play behind the multitude of crises hitting the world stage, and then Covid-19 hits Italy. Kundalini--the energy of eros that lies at the base of the spine--can be overwhelming once activated. Times of activation coincide with the key astrological passages of Saturn, Uranus, and Chiron in one's birth chart and are often experienced as periods of spiritual emergency, confusion, and imbalance. In *Liquid Light of Sex*, Barbara Hand Clow opens up new dimensions for understanding what occurs during these key life passages, which most of us experience three times in our lives. In the author's words, we form at age 30, we transform at age 40, and we transmute at age 50. Focusing on the transformation at age 40--the time of imbalance and spiritual confusion often referred to as the midlife crisis--she explores how kundalini energy, the liquid light of sex, can be creatively channeled by unblocking the chakras. Offering effective methods for achieving physical, emotional, and spiritual growth during this important life passage, *Liquid Light of Sex* presents a roadmap for using celestial cycles to navigate positively and productively in times of great life change.

what is pleiadian: Pleiadian Earth Energy Astrology Pia Orleane, Cullen Baird Smith, 2018-11-06 Discover how to navigate the spiral energy patterns of the Universe for spiritual advancement and conscious evolution • 2019 Coalition of Visionary Resources Silver Award • Explains how the cycles of the 13 spirals of Universal energy and the 20 spirals of Earth energy interact on each calendar day as well as provides a Pleiadian perspective on how they influence us and the events in our lives • Offers practical examples of how you can consciously use the energies prevalent on a given day to your personal, spiritual benefit • Shares cosmic wisdom teachings from the Pleiadian group known as Laarkmaa Modern science has finally confirmed an essential component of the Pleiadian teachings: Our Universe is not linear; it moves in spirals. Human evolution also unfolds in spirals, rather than the linear progression we call "progress." Sharing the

cosmic wisdom teachings they have received from the Pleiadian group known as Laarkmaa, authors Pia Orleane and Cullen Baird Smith reveal a new system of Pleiadian-Earth energy astrology centered on the spiraling and interconnected movement of Universal and Earth energies, rather than on time, and explain how this new wave of Pleiadian wisdom can support human evolution. The authors identify two major spiral patterns that influence us: the 13 spirals of Universal energy that reflect cosmic laws and cosmic truth and the 20 spirals of Earth energy that reflect how humans experience themselves, each other, and their environment. They explain the dominant energy of each of the 13 Universal energy spirals and how they cycle in 13-day periods. They detail how these 13 Universal energy spirals interact with the cycles of the 20 Earth energy spirals on each calendar day, providing a hundred-year ephemeris and a Pleiadian perspective with which to understand the events in your life. Offering practical examples, they show how you can consciously use the energies prevalent on a given calendar day to your personal, spiritual advantage. Providing a map to transcend all systems that no longer serve us, freeing us to become the enlightened cosmic beings we truly are, the authors show how, with the wisdom of the Pleiadian-Earth energy system, we can each discover our specific gifts, work through the challenges of our own shadows, and individually and collectively evolve into a higher vibrational species.

what is pleiadian: Revelations of the Aquarian Age Barbara Hand Clow, 2018-02-13 A well-researched work of fiction from bestselling author Barbara Hand Clow • A contemporary spiritual and erotic thriller that reveals esoteric teachings on Jesus and Mary Magdalene, holy relics, sacred sexuality, and art • Contains hidden secrets on the use of crystals as well as extraordinary information about secret societies • Continues the story from *Revelations of the Ruby Crystal* • From the bestselling author of *The Pleiadian Agenda* (98,000 copies sold) and *The Mayan Code* (57,000 copies sold) Shortly after his wedding at his family's ancient castle in Tuscany, sophisticated and mysterious Armando Pierleoni reveals his richly symbolic painting of the love between Jesus and Mary Magdalene to his bride Jennifer. Deeply affecting all who view it, the alchemical portrayal leads Armando, Jennifer, and their friends on a contemporary journey into the esoteric mysteries of divine marriage, sacred sexuality, the Black Madonna, and the transformative power of holy relics. The group of friends--Jennifer's journalist brother Simon, his mystical wife Sarah, Jungian analyst Lorenzo, exotically beautiful and insightful Claudia, and Armando and Jennifer--discover past-life connections and the power of sacred sex as a path to the divine. They explore how the Knights Templar collected the bones of the Jesus family from the Talpiot tomb in Jerusalem and eventually placed them in reliquaries throughout the world--including within the Medici Chapel in Florence and in the Four Corners region of the American Southwest. When Armando's magical painting of Jesus and Mary Magdalene goes on display in the Medici Chapel and is viewed by thousands, the painting's power coalesces with Aquarian vibrations to trigger a mass kundalini rising within the Chapel, activating the sacred bones in the reliquaries. The activated bones enable the Light to flow into the world, awakening Christ Consciousness around the globe.

what is pleiadian: Pleiadian Renegade Maryann Rada, 2017-07-12 Now is the moment to discover reality's next evolution. How ready are you to encounter the kind of wisdom that can change the way you see everything around you? To change how you think about the genesis of interstellar contact? Renegade thoughts can lead to bold new interpretations of reality, for those who dare to go beyond the limitations of terrestrial thought. Pleiadian Renegade: Thoughts of Higher Magnitude continues a narrative of expanded awareness and brings cosmic wisdom down to earth, with wit and insight. From the Foreword: We have traveled through time to meet you in this space of friendly remembrance to bring you news of the human potential to drive your world into a new age of galactic networking and universal peace and prosperity. You have had a glimpse of such things from time to time, and you carry the hope - if not the complete understanding of what such conditions feel like - within your hearts. As a collective of humanity that has called Earth home for eons, the main thrust of which understanding has been the inability to see beyond the limits of your earthly mindspace, you stand at the brink of a step forward into a new evolution. Together, you have come to the point of recognizing the unsustainability of what it is to be human under the spell of social control and forced limitation of your power. Together, you will take things into your own hands and turn the tables on the game that has been played out to your detriment. The dice have been loaded and the cards stacked against the emergence of a humanity fully empowered, but all of that is about to change. You are changing that. Every time one person awakens to the light within themselves that leads to the greater understanding of divine embodiment taking form as what you truly are, as soon as someone realizes that the extent of human reach does not stop at the edge of your world's troposphere but indeed exists and thrives through-out the galactic arm of the Milky Way, and beyond, you are changing the fortunes in your collective favor. Our presence here, in the form of telepathic communicators and guides at this time is testament to the potential you have to choose the timeline that leads to that, in fact, being your future reality. And because it is a choice, we would like to raise your sights to the higher thoughts that take you there. That is our mission, and our familial duty to your people in this time of transformation. To let the alternative slip into being is not a timeline you would enjoy, we daresay. The Pleiadian Renegades are a collective of beings from a high-frequency, low-density reality that sources from the light of the sun of Alcyone. They are human beings of a higher level of awareness and come to our realm of awareness now as midwives for our collective transformation into the consciousness of divinity. They do this with great love, humor, and depth of understanding. Find out more, and discover more writings from this wise and loving crew, at the Opalescent Nine website.
